Alma Mater

We'll gather by the twilight's glow In front of old Pardee:
In all the world no other scene, So fair, so dear to me.
O Lafayette, O Lafayette, To thee our voices raise,
While loyal lips and loyal hearts Unite to sing thy praise.

Chorus

We'll gather by the twilight's glow In front of old Pardee: In all the world no other scene, So fair, so dear to me.

And future years shall not erase These gems of mem'ry rare; But oft' we'll live the scenes again, Impressed so firmly there. O Lafayette, O Lafayette, O joyous College days! E'er while these loyal hearts shall beat, We've loyal lips to praise.

Chorus
